ANNUAL MEETING RESULTS

At our Annual Meeting held on November 17, 2016 Anthony Medici decided to step down from his Board of Director's position. Kerriane Lauro was voted to the vacant position with all other current Board Of Director members re-elected to their current positions on the Board.

It was also discussed that effective in 2017 our Annual Meeting of the Membership will be moved from November to May going forward.

The Board of Directors and Employees of Global 1 Federal Credit Union are looking forward to another great year serving our members. As always we value your opinions, and as such welcome any comments or suggestions to help continue building your credit union.

VISA DEBIT CARD INFORMATION

We would like to ask all of our members to please be mindful of how they are using their Global 1 Visa Debit Card. To withdraw cash from an ATM, use your PIN number.

If you are in a store and using your card to purchase items at the check out and you slide your card, **PLEASE** select the **CREDIT** option. If you aren't sure how simply inform the cashier you wish to process it as **CREDIT** and they will inform you how. This transaction will still post to your checking account as if you entered your PIN, however it will use the Credit Card network to reach us. Every time you use your PIN at the checkout it costs your credit union money for each transaction. However, if you select **CREDIT** it doesn't cost the credit union anything per transaction.

We try to provide our members with the services they request, but the only way we can effectively do this is if we all work together to save the credit union money where we can.

HAPPY NEW YEAR

We want to wish all of our members a Happy, Safe and Prosperous New Year in 2017.

NEW CHECK ORDERS

If you need to re-order checks for your account, and you have the re-order slip, you can proceed to order the checks yourself by going to the website listed on the re-order form included with your last order of checks.

If you have ordered checks from our new vendor, CPS, you can access the check re-order website from our website at www.globalfcu.com.

When ordering from a new company such as the ones in the Sunday Paper, please make sure you use the numbers on the bottom of your current checks exactly as it appears there. This will ensure proper credit to your account.
