DEBIT CARD FEE NOTICE

Starting May 1, 2016 the credit union will be implementing a new fee structure. These new fees are necessary to help offset the high cost of operating our many different value added account features.

Many of our members continue to use their PIN when at the check out counter making purchases. These PIN transactions cost the credit union each time this happens. We will be implementing a fee for every PIN transactions over six (6) per month. What this means is that the credit union will cover the cost of your PIN based transactions either at an ATM or Point Of Sale for the first 6 transactions (This is not ATM Surcharges. You, the member will still be responsible for any fees charged by the ATM machine you use.) You can avoid this fee simply by requesting credit at check out and signing.

We will also be raising the fee for replacing a lost Debit Card. We will soon be issuing Debit Cards with the New Chip technology. Along with this comes a higher cost to the credit union for new card replacements.

Our New Fees:

\$1.00 per PIN transaction (6 free per month)

\$10.00 Lost Card Replacement Fee

MEMBER STATEMENTS

If you currently are signed up for Home Banking please consider turning on e-statement delivery. This will save the credit union money and allow you to receive your statements usually no later than the 2nd day of the following month. You have access to 13 months of statements that you can review or print from online. If you should need to receive an older statement we still have the ability to print one for you at anytime.

WE WANT TO HEAR FROM YOU

Please feel free to contact the credit union with any questions, concerns or suggestions you may have. Remember we are YOUR CREDIT UNION!.

NEW CHECK ORDERS

If you need to re-order checks for your account, and you have the re-order slip, you can proceed to order the checks yourself by going to the website listed on the re-order form included with your last order of checks.

If you have ordered checks from our new vendor, CPS, you can access the check re-order website from our website at www.global1fcu.com. Simply click on the CPS Logo and it will take you to their website. Their site knows all of the information such as your last check number and the check design you have used in the past. You will also be able to browse all of the current check designs they have available.

When ordering from a new company such as the ones in the Sunday Paper, please make sure you use the numbers on the bottom of your current checks exactly as it appears there. This will ensure proper credit to your account.

New Services Available

We have added many new features available to our members to make conducting transactions with your credit union much easier.

Home Banking - This feature allows you to view your accounts with use online and make transfers between accounts you are an owner on. It also will allow you to make payments from your savings to a loan or credit card you currently have with us.

Online Statements - This feature will allow you to access your monthly or quarterly account statement from us, usually by the second day of the month, without the need to wait for it to arrive in the mail.

Mobile App - Our new mobile app allows you to access your accounts with us on your smart phone easier than trying to navigate our website on you phone. You can conduct all of the same transactions on the app that you can do on our website plus use Bill Pay and Remote Deposit.

Remote Deposit - Remote deposit will allow you to deposit checks to your account by simply taking a picture of the check and sending it to us through our App.

Bill Pay - With Bill Pay you can pay all of your bills using one convenient site. You can also pay a single person using our Bill Pay feature. You can schedule payments to happen when you want them to happen or you can also do one time payments each time your bill is due. This feature can also be used to transfer money to yourself into an account you may have at another financial institution.

ATM Deposits - If you have one of our Debit Cards you can now make a cash or check deposit at any Bank or Credit Union ATM that accepts other financial institution deposits. The ATM will let you know if it will accept the deposit before completing the transaction.
