Identity Theft Services

Starting **April 1, 2017** the credit union will be offering a new checking account option. For a service charge of **only \$3 per month** this account will offer our members the peace of mind that comes with our newest product offering, LifeStages. Offered in conjunction with IDT911, the nation’s premier provider of identity management services.

LifeStages is a comprehensive, personalized identity management and protective service that removes most of the hassle and stress related to identity theft. It helps reduce fraud risks and provides resolution services at every age, stage and milestone in life.

Life Stages Identity Management Services

- Proactive Educational resources
- Resolution services
- Document replacement services
- Financial ID fraud resolution support
- Breach notification assistance
- Unlimited 24/7 access to dedicated fraud specialists
- Credit and fraud monitoring for up to one year with no hidden costs in the event identity theft occurs
- Coverage for any household members
- Risk Compass tool to assess your potential exposure and risks

The best part is you get to keep the same checking account number you already have so there is no need to change any of your direct deposit, bill payment information, or order new checks.

FEE CHANGES

Effective April 1, 2017 there will be one new fee and one current fee change going into effect that will impact our members who use Home Banking and our debit cards.

Any member who is currently signed up for our Home Banking service and has not signed up for e-Statements will now be charged a **Paper Statement Mailing fee of \$3.00**. We need to reduce the cost of statement processing for the credit union and have repeatedly asked for members to turn on e-Statements. So any member who has not done so will now be responsible for covering the cost of mailing these paper statements to them. **This only effects members who are setup with home banking.**

Any member who exceeds the 6 free monthly PIN based debit card transactions per month will now be charged an **Excessive PIN Usage fee of \$2.00** per transaction over the monthly free transactions. Once again this is to cover the higher than normal cost of having this program in place. To avoid this fee please choose credit at the cash register and plan your ATM withdraws accordingly.

ANNUAL MEETING

Our next Annual Meeting of the Membership will take place on **May 18, 2017 @ Noon** here at our office **7512 Maple Avenue, Pennsauken, NJ 08109**

Any member who is interested in being a board member should submit a brief biography of their qualifications before **May 1, 2017** to our office for review.

FRAUDSCOUT

Most fraud takes place under the radar. Personal data is taken from social media networks. Malware on a computer captures personal information. Lines of credit are opened with stolen data. A data breach exposes email addresses, passwords and other uniquely identifiable information.

For maximum security, you need cutting-edge identity management services that monitor a full range of credit and non-credit information that are used to perpetrate fraud.

In partnership with Sollievo and powered by IDT911®, the nation's premier provider of identity management services, Global 1 Federal Credit Union members can now purchase FraudScout® credit and fraud monitoring and take your identity protection to a whole new level.

It's easy for you to use these new services

After you purchase your optional credit monitoring service, FraudScout will keep a watchful eye on both your credit information and your online reputations to keep your identity safe and privacy levels high. If FraudScout detects potentially unscrupulous activity, you will receive an alert followed by access to 24/7 full resolution support from our experienced fraud specialists who will help them every step of the way.
